### Charles A. Son Is Favored by Labor

Charles A. Son, Republican candi-  
date for attorney-general, has  
been officially notified by the Joint  
Executive Board of the Organized  
Labor Movement that it has en-  
dorsed his candidacy.  
The board is composed of the  
Metal Trades Council, the Build-  
ing Trades Council, the Allied  
Trades Council and the Central  
Labor Council. Son also has been  
endorsed by the Oil Workers Local  
No. 19, of Bakersfield.

ning at the home of Mr. and Mrs.  
Jordan Anderson of Long Beach.

### W. C. T. U. Will Meet August 1

Annual Business Session To  
Elect Officers

The annual business meeting of  
the W. C. T. U. will be held  
Friday, August 1, at 2:30 p. m., at  
the home of Mrs. Schmidt, 1543  
Marcelina avenue. Mrs. Richard-  
son, county president of the or-  
ganization, will be present and  
give an address.

Miss Alma Squires, state or-  
ganizer of young people, will also  
be present at this meeting. Every  
member of the Torrance union  
should be present as the local  
organization must have 13 mem-  
bers to elect officers for the  
ensuing year.

### EXPECTED TO RETURN

Thomas Hayes, widow of  
Thomas Hayes, who died here July 3, is expected to move  
back to this city from Inglewood  
where she has been staying for  
several weeks. It is understood  
that a cousin of Mr. Hayes will  
soon take charge of the pool room  
formerly operated by Mr. Hayes.

### Keystone Notes

(Continued from Page 1, this sec.)  
Elmer, all of Pasadena; and Evelyn

## CHEVROLET Six-Cylinder Trucks

**Bigger, Faster, Sturdier  
and more economical**

In size, speed and durability, the  
Chevrolet Six-Cylinder Truck is  
superior to any haulage unit ever  
built by Chevrolet. Yet, for all  
these decided advantages, it shows  
(according to many prominent  
fleet users) a lower maintenance  
cost than any other low-priced  
truck of similar capacity!

These basic facts should be  
borne in mind by everyone con-

sidering the purchase of an inex-  
pensive haulage unit—in these  
days, when business men are  
watching transportation costs.

Many important features of the  
Chevrolet Six-Cylinder Truck are  
given below. Study them. Use  
them as a basis of comparison—  
to prove quality—modern design  
—and EXTRA VALUE!

### Special Features of the Chevrolet Six-Cylinder Truck

50 h. p. valve-in-head motor...  
48 lb. crankshaft...bronze-  
bushed pistons...positive pres-  
sure fuel pump...deep channel  
steel frame 187 inches long...  
mounts 9-foot bodies...low  
loading height...four long semi-

elliptic springs and low center of  
gravity preventing sideways...  
wide variety of bodies...small  
down payment...easy terms  
...and the unusual protection of  
Chevrolet's liberal new owner's  
service policy.
